

PRESS RELEASE

September 12, 2008

## Coalition Announces Community Website [www.ewrcc.org](http://www.ewrcc.org)

The East Williston/Roslyn Community Coalition for Drug Free Youth (EWRCC) is proud to announce that its new Community Website is live! The website, [www.ewrcc.org](http://www.ewrcc.org), will provide parents and residents with pertinent information regarding teen drug and alcohol abuse, parent education, event information as well as the ability to make Coalition donations through PayPal. All Coalition meeting dates and times will also be listed.

The Coalition developed the website with local Town of North Hempstead resident Kerren Willner of DevCor Industries, to advance its goals on behalf of the families in the two school communities. Ms. Willner has been designing and building websites for small businesses and non-profits for 10 years. Previously, as a software engineer for a major computer manufacturer, she honed a broad set of skills in software design and development, networking, and security. President Cathy Samuels notes that DevCor Industries “was committed to translating our needs and goals into a unique and effective website that provides the Coalition with a foundation for growth and change over time.”

In addition to the new website, the Coalition will be mailing to all East Williston and Roslyn residents a brochure outlining its meetings, events and workshops. EWRCC’s first meeting of the 2008-09 school year is Tuesday, September 23, 2008 at 1:00 p.m. at The Wheatley School. Guest Speaker, Dr. Rickard Terenzi, Chief, Drug Treatment & Education Center of North Shore University Hospital will discuss current trends in teen substance abuse. All community residents are invited to attend to start off the new year of Coalition work.

Since 2003, the East Williston/Roslyn Community Coalition for Drug-Free Youth, Inc. has been working towards a simple but formidable goal: to reduce significantly the amount of alcohol and drug use among our children. EWRCC is a 501(c) 3 not-for-profit corporation registered with the NYS Charities Bureau of the NYS Attorney General’s Office. The Coalition relies on contributions from individuals, corporations and government for its important work on behalf of the children and families of our communities. Donations are appreciated and welcomed at any time through PayPal on the Coalition’s website at [www.ewrcc.org](http://www.ewrcc.org) or mailed directly to EWRCC, P.O. Box 63, Williston Park, NY 11596 For more information regarding the coalition, call Cathy Samuels, President, at 248-3489.
